PEDESTRIAN BRIDGE IN SHENANDOAH COUNTY CLOSED

STAUNTON – The Virginia Department of Transportation has taken the precautionary step of closing the pedestrian bridge along Route 609 (South Hollingsworth Road) just east of Woodstock in Shenandoah County. The cable-suspension footbridge was shut down this morning (July 31, 2015) due to an earth slide next to one of the abutments.

The bridge will remain closed while VDOT inspectors evaluate the bridge and determine whether it has sustained any structural damage.

The VDOT Staunton District serves Frederick, Shenandoah, Clarke, Warren, Page, Rockingham, Augusta, Highland, Rockbridge, Alleghany and Bath counties.

Traffic alerts and traveler information can be obtained by dialing 511. Traffic alerts and traveler information also are available at 511Virginia.org. For other assistance call the VDOT Customer Service Center, available 24 hours-a-day, seven days a week. Citizens can dial 1-800-FOR-ROAD (1-800-367-7623) from anywhere in the state to report road hazards, ask transportation questions, or get information related to Virginia's roads.
